Retiring Recreation Leader Alice Dunbar Feted at Lunch

By BILLIE ROBERTSON
FA 8-7385

A luncheon was held in the home of Mrs. Ralph Robertson in honor of Miss Alice Dunbar, Thursday.

This was in recognition of the things Miss Dunbar has done for the area, as recreation director at Halldale Playground. Miss Dunbar has been transferred to the West Los Angeles Playground.

Several women of the community came to enjoy lunch with her and presented her with many lovely gifts.

"As you know I've been here three years—this past December, (but it seems much shorter). I have enjoyed being here and working as chief recreation director very much. I will leave Friday at noon," Miss Dunbar said.

"You know how much I have appreciated the help of the many volunteers we have had here—including mothers, children and fathers. Cooperation is the stuff of which success is made.

"I have seen the attendance, population, paving—and physical improvements of the playground and community grow. My next field of endeavor—and probably the last before I retire—will be at West Los Angeles Playground. This is just a few miles from where my family are moving. There is a promotional job in recreation to be done there, and the recreation department thinks I can handle it. Please thank everyone for helping me."

A paper drive will be held at Halldale Elementary School today from 8 to 1.

Please ask your neighbors if they have any old paper or rags. Transportation to get these papers to the school may be obtained from Mrs. E. N. Reese at FA 8-4098. The papers are to be brought to the side of the school by the auditorium.

Mrs. B. LeRoy is in need of women to go on the Mothers March on Polio. Please call her at FA 8-8169 if you can go out on the Jan. 31, from 7 to 9.

These volunteers are very badly needed in the area of 224th and 225th Sts. This is sponsored by the 223rd Street School PTA.

At Harbor General Hospital, there is a plea for blood, for a darling little girl.

The little girl, Carolyn Ferrel, 5½, 1521 Clearsite, was burned critically about a month ago when her dress caught fire.

She needs O-negative blood but any blood donations will do because they can be traded for her type of blood.

Individuals who wish to donate are asked to call the hospital at FA 8-2380 or the local Red Cross at FA 8-0510 for an appointment.

"Destiny of Our Children," was the topic of the Halldale PTA last Thursday, Mrs. Glenn W. Scrivner, exceptional children's chairman of the Lomita-San Pedro PTA Council, spoke to the crowd on "Retarded Children and Mental Health."

Mrs. A. Weber, March of Mothers chairman for the March of Dimes, announced that 45 members of the Halldale PTA will ring door bells

Jan. 31 from 7 to 9 to collect for the polio fund from persons with their porch lights on. Anyone wishing to help collect on this drive may contact her.

The announcement was made by the principal that due to the heavy enrollment expected next semester, which starts Feb. 4, two rooms will be on double sessions. Children who will have their birthdays on or before May 1, may enroll for mid-year kindergarten classes beginning Jan. 28.

The Narbonne High School's senior play was a huge success last Friday evening in the school auditorium. The auditorium has just recently been

equipped with acoustical tiling and has been beautifully redecorated.

Two Shoestring area residents have been awarded gold pins commemorating 15 years service with Douglas Aircraft. They are R. D. Long, 1568 W. 208th St., and J. R. Trippy, 1632 Plaza Del Amo.

Long works in the El Segundo plant and Trippy works at the Torrance division where the F4D's are made.

NO SPACE for both a washer and dryer? Get a Duomatic. The combination washer-Gas clothes dryer shown here is the PHILCO-BENDIX.

GAS CLOTHES DRYERS INSTALLED FREE

IF YOU BUY NOW! CHOOSE FROM TEN FAMOUS MAKES!
For a limited time, normal installation is FREE when you buy a new automatic Gas clothes dryer. This money-saving offer applies to participating dealers in these makes: ABC, Blackstone, Caloric, Hamilton, Maytag, Norge, Philco-Bendix, RCA, Whirlpool, Rheem-Wedgewood, Roper.

HERE ARE JUST SOME OF THE THINGS A GAS CLOTHES DRYER WILL DO FOR YOU:

- 1 KEEPS YOU ON SCHEDULE**
With an automatic Gas clothes dryer, you can wash any time, day or night, rain or shine. Soiled clothes never pile up. Your family has plenty to wear. You have lots more free time.
- 2 GIVES NICER LAUNDRY!**
Gas-dried bath towels are as soft and fluffy as when new. Nothing is ever sun-faded, wind-whipped, spotted or stained. Gas dries cottons in less time than it takes to wash them!
- 3 MAKES IRONING EASIER!**
You don't iron sheets when you have a Gas clothes dryer. Just fold and store. A Gas dryer eliminates sprinkling, too. Dial "damp-dry," and pieces come out right for ironing.
- 4 CUTS CLEANING BILLS!**
You send out far less when you own a Gas clothes dryer. You can do chenille spreads, blankets, padded robes, etc. professionally and quickly. Your family needs fewer clothes, too.
- 5 EASY TO BUDGET!**
Gas clothes dryer prices start at only \$169.50. And normal installation is free if you buy now. Operating cost is one-fourth that of other dryers. See a demonstration at your dealer's.
